TRUSTEES' MEETING

OLD MEMBERS RETIRE, NEW MEMBERS SWORN IN CHOOSE CHAIRMAN

The auditorium portion of the Council Chamber at the City Hall was well filled Monday evening with a representative group of business men and of women who have been active in civic affairs who had gathered to greet the new members of the Board of City Trustees and express appreciation of the work of retiring members.

Mrs. H. E. Bartlett, the first woman of our city to be elected to the office of city trustee, was attended by a group of friends and the two other trustees-elect—Spencer Robinson and Dwight W. Stephenson—were also the recipients of attention and congratulations.

The old board was called to order by its chairman, Frank Muhleman, who had just returned from an Eastern trip of several weeks' duration. Its first business was a canvass of the election returns preliminary to the passage of a resolution declaring Mrs. H. E. Bartlett, Spencer Robinson and Dwight Stephenson duly elected as trustees, J. C. Sherer as city clerk, and J. W. Stauffacher as city treasurer. City Clerk Sherer then took the oath of office to uphold the constitution of the United States, the constitution of the State of California, and to discharge the duties of his office. He then administered the oath of office to the trustees-elect,—Messrs. Woodberry, Jackson and Muhleman vacating their places at the table and graciously seating their successors.

The first business of the newly seated board was the selection of a chairman. Trustee Henry nominated Hartley Shaw. The nomination was seconded by Dwight Stephenson. No other nomination was offered and by unanimous vote Mr. Shaw was proclaimed chairman and took his seat at the head of a long table, Mrs. Bartlett taking the chair he had vacated. On taking his seat Chairman Shaw voiced his appreciation of the compliment paid him by his fellow members and expressed high

GLENDALE RESEARCH HOSPITAL

A. L. Baird, who has in hand the selling of stock in the new Glendale Research Hospital enterprise, says that all legal requirements have now been complied with and that he is taking orders for stock. A perspective view of the proposed new building was displayed in the front window of the Evening News office yesterday and it shows it to be of fine proportions and ample in its accommodations. Mr. Baird thinks that possibly ground can be broken for the foundation about June 1st.

HEALTH GOOD IN GLENDALE

Sanitary Inspector L. W. Chobe reports that health conditions in Glendale are very good. The "flu" is entirely stamped out and there are no contagious diseases of any kind. Grocery stores and meat markets are strictly observing the laws regarding sanitation and no complaints have been handed in of unsanitary conditions within the city limits.

FINE NEW HOME

MENZO WILLIAMS' NEW RESIDENCE TO HAVE MANY STRIKING FEATURES

Menzo Williams, who recently sold his fine residence property at 1325 North Central avenue, is building a much finer home on the lot just north of the former location. It will be of composite architecture, Colonial and Spanish prevailing. The extreme dimensions are 76x65, and there will be a basement 21x31 for heating plant and storage. The location is on a hillside and the north foundation wall is almost at grade while on the south it is several feet high. There will be ten rooms in the house, some of them very large. The exterior will be of white plaster. The striking feature will be a front porch 60 feet long and eight feet deep, with a corner recess of 17 feet depth.

Wm. Raynard is in charge of the construction and has moved out to Glendale to give all his attention to the job. He has just returned from Santa Paula where he built four large houses.

A very commodious garage, to contain rooms for chauffeur, has already been constructed.

AUTO TURNS TURTLE

MISS RUTH RAMBEAU AND THREE COMPANIONS HAVE NARROW ESCAPE

Miss Ruth Rambeau, sister of one of the nurses at the Glendale Sanitarium hospital, took some young lady friends out for a ride in her father's machine yesterday afternoon and at the corner of Adams and Palmer avenue too quick a turn was attempted and the car turned over. The girls were all badly frightened, but escaped serious injury. Miss Rambeau, Miss Leona Price and Miss Ruth Swanson, the latter a resident of Michigan St., Boyle Heights, suffered bruises, sprains and cuts, but the fourth member of the party, Miss Esther Wescott, of Long Beach, escaped without injury. All four had badly torn dresses. The only injury to the auto was a broken windshield and a fender slightly bent. It was taken to a repair garage under its own power. Witnesses of the accident expressed wonder that no serious injuries resulted.

BEAUTIFUL ART CALENDAR

Pulliam & Kiefer have taken time by the forelock by getting in their 1921 calendars already and they are certainly remarkable in many respects, being reproductions of Thomas Moran's wonderful painting, "The Trail of the Sunset," representing rugged mountain scenery, a limpid water course and green valleys through which are marching a band of mounted Ute Indians. The coloring is simply wonderful showing the marvelous tints of sunlight and shadow. Even the water lines of ages long gone by on the weather-worn shafts of rock are plainly to be seen. The artist is now in his 84th year and still handles the brush.

MR. AND MRS. KIMBALL ENTERTAIN

Mr. and Mrs. Robert H. Kimball of 315 West Garfield avenue were host and hostess at a pleasant Five Hundred party given at their home the latter part of the week. Roses furnished a charming floral setting for the function which was enjoyed by about twenty-five of their friends. High scores were made by Mrs. Edward Lawrence of Glendale and by O. F. LaFleur of Los Angeles upon whom prizes were bestowed. Delicious refreshments were served at the close of play. Guests were: Mr. and Mrs. Karl Hollingsworth, Mr. and Mrs. Edward Lawrence, Mr. and Mrs. William C. Wattles, Mr. and Mrs. D. F. Phillips, Mr. and Mrs. Lawrence Bell, Mr. and Mrs. Walter Stamps, Mrs. Roy Hinchcliffe, Mr. and Mrs. Clark Johnson, Mrs. William Althouse and Gilbert Barry, all of Glendale, Mr. and Mrs. O. F. LaFleur, Mr. and Mrs. George Warner, Mr. and Mrs. M. J. Bedoll of Los Angeles.

BIRTHDAY SURPRISE

Mrs. R. L. Holland, 209 Arden reports a very delightful surprise party recently at her home, the occasion being the birthday of her husband. The guests were twelve in number, and all members of a bridge club in Los Angeles to which Mr. and Mrs. Holland belong. Mr. Holland was the only one to whom this was in fact a "surprise" party as Mrs. Holland was fully prepared with a beautiful birthday cake, ice cream and other refreshments, and had decorated the rooms with spring flowers. The gifts were all in the nature of jokes and added much merriment to the occasion.

The evening was spent principally in card playing, the prize being a sack of potatoes. So enjoyable was the occasion it was agreed among the ladies that hereafter a similar birthday party was to be held on each of the husbands' birthdays.

SHAKESPEARE SECTION

The Shakespeare Section of the Tuesday Afternoon Club met Monday afternoon at the home of Mrs. Frank Ayars on North Orange St. and studied the fourth act of King Lear under the direction of Mrs. McClure. A portion of the afternoon was devoted to the making of plans for the Shakespearean Tea to be given by the section Friday afternoon at the Masonic Temple as a benefit for the Club House building fund. Tea and cakes were served by the hostess and a very pleasant social half hour was enjoyed following the regular session.

WEATHER FORECAST—Partly cloudy tonight and Wednesday.

TREATY OF PEACE WITH TURKEY

CONFERENCE OF AMBASSADORS MEETING IN ITALY APPROVES FINANCIAL CLAUSE

(Special Service to Glendale Evening News)

SAN REMO, Italy, April 20.—The Conference of Ambassadors today approved the financial clause of the Turkish peace treaty, it was announced. After this was disposed of the Conference took up territorial problems affecting Armenia and the question of a mandate under the league of nations. The disposition of Batum also was discussed.

NEW YORK STOCK EXCHANGE

RESOLUTION INTRODUCED AT ALBANY CALLS FOR INVESTIATION OF ITS POLICIES

(Special Service to Glendale Evening News)

ALBANY, N. Y., April 20.—A resolution calling for an investigation of the New York Stock Exchange by a joint legislative committee was introduced in the Senate this afternoon by Senator Loring M. Black of Brooklyn. The resolution was referred to the judiciary committee. Senator Black said he was prompted to introduce the resolution by what he had read concerning the action of the Stock Exchange in reference to the Stutz motor stock.

GENERAL HILL WOUNDED IN MEXICO

LEADER OF OBREGON FORCES SUFFERS AND SOLDIERS UNDER HIM WIPED OUT

(Special Service to Glendale Evening News)

WASHINGTON, April 20.—General Benjamin Hill, leader of General Obregon's rebels, was wounded in fighting at Contreras near Mexico City last night, the Mexican Embassy announced today. Most of Hill's followers were killed, the Embassy asserted. General Hernandez, leading a "strong force," is pursuing General Estrada of Zacaticas who revolted against Carranza. The Zacaticas legation remains loyal, the Embassy declared.

DETERIORATION OF NAVY

"SHIPS IDLE AND MEN LEAVING SERVICE IN DROVES," DECLARES CAPT. W. B. PRATT

(Special Service to Glendale Evening News)

WASHINGTON, April 20.—The navy is only the "battered hulk" of what it was when the armistice was signed, Captain W. B. Pratt told the Senate Naval Investigation Committee today. He was assistant chief of operations. "The men are leaving the service in droves and ships are lying idle at the navy yards," he declared.

PRESIDENT WILSON MEETS CABINET

RAILROAD STRIKE AND MEASURES TAKEN TO HALT IT ARE DISCUSSED

(Special Service to Glendale Evening News)

WASHINGTON, April 20.—President Wilson and his cabinet today discussed the railroad strike and reviewed the measures taken to halt it during the past week. Following the meeting cabinet members expressed satisfaction with the government's course and indicated they believed danger of a railroad tie-up is over. The president presided at the meeting which was held in his study and lasted an hour and a quarter.

RAILROAD WAGE INCREASES

CHIEFS OF ESTABLISHED UNIONS PRESENT DEMANDS FOR MORE THAN $1,100,000,000

(Special Service to Glendale Evening News)

WASHINGTON, April 20.—Chiefs of the established rail unions today appeared before the Railroad Labor Board to present their arguments supporting their demands for wage increases totalling $1,100,000,000 annually for two million workers, including most of the "outlaw" strikers. Meanwhile the chief of the newly organized "outlaw unions" was also here preparing a written statement of demands to file with the Board. Edward McHugh, representing the Jersey City "outlaws," said they would not return to work until assurances were received that the Board would give immediate attention to their case.

PASS PROVES DEATH TRAP

(Special Service to Glendale Evening News)

AGUA PRIETA, Mex., April 20.—Carranza troops failed in their first effort to penetrate the Pulpito Pass on the Chihuahua border according to messages arriving here today. With concrete breastworks and machine guns clamped to the sides of the pass it proved a death trap to the federal troops, according to the reports of the messengers. No casualties were reported among the Sonora defenders, and no information was available of Carranza losses.

LIGHT AT LAST

GRANDVIEW DISTRICT AT LAST TO HAVE CITY LIGHTING AS PROMISED

Citizens of the Grand View district of Glendale are greatly rejoiced that the city lighting system is at last to be extended into their territory, as was promised when they came into the city. Failure to carry the first bond election for light and water extensions delayed the work and failure to sell the bonds authorized at the second election put it off still longer, but now the extension has been ordered and as soon as the necessary materials can be procured the extension will be made. It is to extend along Sixth street from Grand View avenue to Vine avenue and down Vine avenue to San Fernando Road. All the houses not now supplied by electricity in this district will be included in the extension. The poles along Sixth St. that now carry the high tension wires from the Kern River power house of the Southern California Edison Company will be used to carry the wires and also the rods to hold the light globes and the city will furnish the poles for the other streets.

DEATH OF GEORGE W. ANDRUS

George W. Andrus, who had been a resident of Glendale for about five years, died Monday morning, April 19, 1920, at his home at 359 West Lomita avenue, leaving a wife, Lucretia S. Andrus, and two daughters—Maude Andrus Service and Ethel Percy Andrus. Deceased was a native of Iowa, was 66 years of age, and was a lawyer by profession. Funeral services, which were private, were held this morning at the Little Church of the Flowers at Forest Lawn Memorial Park at 11 o'clock where interment took place, the Scovern Company having charge.

WACHTERS IN IDEAL HOME

J. R. Wachter and wife, who are just getting settled in the new five-room house at 612 North Central avenue that they bought of Nathan Rigdon, say they are now settled for the rest of their lives in a location they have sought for many years, and that Glendale suits all their ideals. The house has white plastered exterior and the inside is handsomely decorated. The Wachters lived many years in Pittsburg, Pa. Twelve years ago they decided to seek a warmer and more equable climate, so tried Oregon, where they lived eight years. Then they moved to Tucson, Arizona, but a four-years' residence there still failed to satisfy. Hearing much of Glendale they visited this city, looked at different properties and finally bought of Mr. Rigdon.

NEW RESIDENCE FOR NORTH BRAND

C. R. Ross, who had the contract for building the two ornate bridges that span the Wash at the Brand boulevard crossing, is building a very handsome residence very near the scene of his work. It is on the south bank of the Wash and faces on Brand. It will have six large rooms and a good-sized basement room. The outside construction will be frame, plastered over and the architecture is the Spanish hacienda type with round corners to walls and roof. The cost will be close to $5000. J. H. Chestnut, a Glendale man, has the work in charge.

P.-T. A. FEDERATION

RECEIVES REPORTS; VOTES $10 FOR TRACK MEET RIBBONS AND PENNANTS

The regular meeting of the Glendale Federation Parent-Teacher Association was held in the Domestic Science room of the Intermediate School on Monday at 2:15 p. m., with Mrs. A. A. Barton, president, in the chair.

Mrs. Barton reported that she had attended First District and State Executive meetings, also the District Convention; also that she had been requested to speak as Federation President at the W. C. T. U. Convention.

Mrs. John Robert White announced the entertainment which is to be given by the pupils of Mrs. Nanno Wood, the proceeds of which are to be used for the benefit of the scholarship fund.

Mrs. E. B. Wyman read a note of appreciation which she had received from Mrs. R. D. White sincerely

FOR HIS LIFE

FRANCISCO CARDILLO TO BE TRIED IN SUPERIOR COURT FOR MURDER

The preliminary examination of Francisco Cardillo, for the murder of Antonia Caruso, was held yesterday, after being postponed from the 13th. Some new facts were brought out that will be used by the prosecution if the case comes to trial in the Superior Court. It was testified that the two men had quarreled five months ago, but made up. On the evening of the murder Cardillo had stumbled over a bicycle and pushed it against a window, breaking the glass. Caruso sharply reprimanded him and this seemed to arouse his evil passions for he went for his revolver and attacked Caruso as he was coming out of the poultry yard with a basket of eggs. The latter rushed upon Cardillo after the first shot was fired and grappled with him. They fell to the ground together and three more shots followed. Cardillo said nothing in his own defense and seemed quite unconcerned. He has the appearance of a very low mentality. It was intimated that he may plead guilty and throw himself on the mercy of the court.

He was remanded to the county jail to await trial in the Superior Court some time in the near future for murder in the first degree for which the penalty is death.

FORTNIGHTLY BRIDGE CLUB

Members of the Fortnightly Bridge Club were entertained Saturday night at the home of Mr. and Mrs. A. A. Barton on North Howard street. After play they were entertained by Mr. and Mrs. Charles Parker with vocal duets and a few piano numbers by Mr. Parker. Delicious refreshments were served, scarlet geraniums featuring the table decorations. The high scores of the evening were made by Mr. and Mrs. Roscoe Puffer. The players were: Messrs. and Mesdames C. A. Parker, Frank Ayars, J. I. Wernette, A. A. Barton, H. G. Howeth, R. A. Puffer. Mr. and Mrs. Francis Henry were unable to be present.

DR. SOUTHERS GOING NORTH

Mr. and Mrs. W. A. Kulp and Dr. Southers and sister spent Sunday afternoon in Echo Park and then had supper together at the Kulp home. The doctor and his sister have been spending the winter in Glendale. He was born in England, but calls himself an Australian because of his long residence there. He plans to make the United States his home, however, and is now taking out naturalization papers. He is leaving the first of next month for Berkeley to prepare for work he is to undertake under the Department of Agriculture as a chemist. From Berkeley he expects to go to New Brunswick to consult friends in regard to an invention in connection with the use of sulphur as an insecticide.

G. U. H. S. 17; CITRUS HIGH 0

The High School tennis team, accompanied by Coach Hayhurst, went to Citrus High, near Azusa, yesterday, to play their fifth game of the season and they won by the same score as at Monrovia, Saturday, 17 to 0. Only one more game is to be played, that with Alhambra in about two weeks, and the boys hope to win another victory there.

AIMS OF MUSIC CLUBS

GLENDALE REPRESENTATIVES HEAR ILLUMINATING TALK BY MRS. SIEBERLING

In the talk made by Mrs. Sieberling at the reception given in her honor Saturday evening at the Los Angeles Ebell Club House, by members and officials of the California Federation of Music Clubs, she emphasized several points. First, that before the war music was regarded as a pleasure for women only; but during the war it was found that music inspired men with courage and determination; that it made them forget everything except their duty. Since then we have realized that music has its place in men's lives. Men's musical organizations are being formed and becoming federated. The latest in Los Angeles to join the Federation of Music Clubs is the Philharmonic Orchestra which will send a quartette to the State Convention with Olga Steeb as pianiste.

Mrs. Sieberling's second point concerned the place of music in edu-

WOMEN IN POLITICS

(Special to Glendale Evening News)

CHICAGO, April 20. —Women politicians wrote a new chapter in the history of women's evolution here today. For the first time a woman took part in an executive conference of a major political party when Mrs. George Bass, national committeewoman from Illinois attended the meeting of the Committee of Arrangements of the Democratic National Committee. Mrs. Bass is one of two women members of the committee. The other is Miss Mary Foy of Los Angeles. She was expected to attend, but early today had not arrived. Mrs. Bass is empowered to cast an equal vote with other members and will have a say in the selection of a temporary chairman of the convention to be held at San Francisco. This was expected to be settled today.

KATHERINE CROSS IMPROVING

Mrs. H. D. Cross of 329 Mira Loma avenue and her little daughter, Katherine Cross, who was so terribly ill of typhoid fever a few months ago, are now at the big Russell Ranch near Oxford, owned by Mrs. Cross' father; and Katherine is steadily improving though not yet restored to her former good health. They will probably remain at the ranch until September. Meanwhile Mr. Cross is in New York City engaged in work preliminary to the big drive to be made for the Boy Scout Organization, of which he is a national executive. He will probably be absent for a number of months. Mr. Russell was in Glendale the first of the week as the guest of his daughter, Mrs. Huse, of Mira Loma avenue.

IT CAN'T BE HELPED

It is in one of the Josephine Daskam Bacon's books that a little boy frightens a little girl into a faint by telling her that dogs' tails are short because they are bitten off when the dog is a puppy. The boy, though a convinced realist, was nevertheless moved to compunction at the little girl's distress. So he wrote her a note and said:

"I'm sorry they bites them off!—but they do!"

ABSENT MINDED

The Chinese must be the most absent minded people in the world. They invented more things than any other race of people—and then went and forgot them. A few inventions claimed as originally Chinese are: Gunpowder, the telephone, stilts, coal, paper money, cards, dominoes, chop suey, Chinese restaurants, rats, birds' nest soup and long finger nails.

THE NEW TERROR

Father: Aren't you going to wear the nice red tie your Aunt gave you for Christmas?

Bobby: No!

Father: Whatever will she think of you.

Bobby: Well, if you must know, I'm not going to have all the boys calling me 'Bolshy' for the sake of any woman!

SPEED IN JAPAN

In Japan, auto speed limits depend on the width of the road. Streets over 36 feet wide permit 16 miles an hour.

LARGE PASSENGER BI-PLANE FIRST OF ITS KIND, PASSES OVER GLENDALE

A large bi-plane passed over Glendale yesterday afternoon, flying high, and landed in an aviation field near Los Angeles. This was an 8-passenger airplane, and the largest ever flown for any considerable distance in California. It is of a type never before seen on this coast and carried four passengers and two pilots from Bakersfield to Los Angeles in an hour and 20 minutes. The passengers are all residents of Bakersfield and they gave out hints that this was the inauguration of regular passenger service between coast cities. Pilot Charles Pond drove the airplane in its flight, which was without mishap of any kind. The big machine is christened Avion. It is propelled by three 150-horsepower motors and is capable of very high speed.

Of course passenger aviation is not new in Southern California, regular trips being made with single passengers between the mainland and Catalina Island, and short flights being made from several fields, but this is the first instance of regular passenger service between cities widely separated and with an airship of such gigantic size.

ANGELS WIN

TRACK MEET BETWEEN COLORADO SCHOOL BOYS AND INTERMEDIATE TEAM

The track meet of the inter-city school series Monday afternoon was between the Intermediate Angels (boys under four feet, nine inches) and the team of the Colorado Boulevard School. It took place on the Colorado field. The final score was 53 to 34 in favor of Intermediate Angels. Individual scores follow:

40 yd. dash: John Wardell (A) 1st: Raygene Doll (C) 2d; Elmer Muff (A) 3d.

60 yd. dash: Hearcel Schaffer (A) 1st; Charley Thompson (A) 2d; Doll (C) 3d.

Hop, step and jump: Wardell (A) 1st; William Goodman (C) 2d; Harry Chasse (A) 3d. The best distance was 26 ft., 8 inches made by John Wardell.

Running broad jump: Shaffer 1st; Doll 2d; Thompson 3d. Best distance made by Shaffer 13 ft., 10½ inches.

Standing broad jump: Charles Hart (C) 1st; Wardell 2d; Joe Kneffler (A) 3d. Distance 6 ft. 8 in.

Indoor ball throw: William Goodman (C) 1st, 120 ft., 7 in.; Thompson 2d; Charles Beamon (C) 3d.

High jump: Wardell 1st, 3 ft. 9 in.; Robt. Conklin (C) 2d; Frank West and Henry Steel, both Angels, tied for 3d.

Fungo hitting: Goodman 1st, distance 134 ft. 4 in.; Gene Street (A) 2d; Eugene Kille (A) 3d.

Basketball foul throw: Muff 1st, 10 baskets; Beamon 2d; Steel 3d.

Relay race, 8 men: Intermediate Angels—Shaffer, Muff, Street, Homer Lockwood, Chasse, Thompson, Wardell and Kneffler.

Colorado Boulevard team—Hart, Conklin, Joseph Heusman, Beamon, Freeman Brant, Harold Campbell, Samuel Colburn, Goodman.

The Colorado team was ahead until one of the boys dropped the stick. They got by again when another boy dropped the stick.

A REAL MONOPOLY

The world's supply of Mocha sheepskin is obtained by about a dozen buyers, who have their native collectors in caravans to collect the skins at various centers, of which Mocha, Berbera, Zeylah and Hodeidah are the main points. From there they are sent to Aden, a British coaling station, which, on account of the location, is the shipping point for skins sent to London, the continent of Europe, and the United States.

CHINESE STUDENTS STRIKE

(Special to Glendale Evening News)

SHANTUNG, April 19.—Three millions of students throughout the northern provinces of China went on strike today in protest against the teaching advocating direct negotiations with Japan on the Shantung question, according to reports received here. The students, who are parading the streets of the principal cities, are seeking to enlist the support of China's hundred million trade unionists. No action has yet been taken by the union workers. The abrogation of all secret treaties is demanded by the striking students who have promised they will not molest foreigners.

OWN YOUR OWN HOME

The Value of a Home can't be measured in dollars and cents

It is a short-sighted man, indeed, who buys the other necessities of life and postpones the building of a home because building material and labor is high.

From a purely business standpoint home ownership is essential to the man with a family—the man who is trying to do his best by his family. If you are paying out money for rent when you might be making payments on a home, you cannot be said to be thrifty or far-seeing.

The Balance Between Rents And Building Costs Will Always be Maintained.

If it's good business to pay rent now rather than to build, it will always be good business, for rents go up and down with building prices. If you can't afford to build now how can you afford to pay the high rents that prevail?

Looking at the matter from any other standpoint you must come to the same conclusion. Nothing is quite so essential to the well-being of the family as home-ownership. It gives security and stability and brings happiness.

SONGS, OPERA, DANCES ON COLUMBIA RECORDS

Charles Harrison sings two songs of sentiment for Columbia Records this month, "Peggy" and "Say It with Flowers." The first is a spring song, and the second speaks the language of flowers in music. These are two unusual selections.

The New York Metropolitan Opera House Orchestra plays on both sides of a record "Selections from La Boheme" this month. Through their countless performances of this always popular opera, these artists have come to a point where their placing of this music is almost beyond criticism.

The first Columbia Records of Art Hickman's Orchestra from the St. Francis Hotel, San Francisco, made a bit with many dance lovers. This month they add two more to their unique jazz selections, the "Dancing Honeymoon" fox-trot and "Fee Fi Fo Fum" one-step.

Prince's Dance Orchestra plays two wild fox-trots full of weird strains of Oriental music. "Afghanistan" and "Mohammed" are guaranteed to make even the latest fox-trotters forget all about the time.

TO FILM THE BIBLE

Most ambitious of all projects of the motion picture art, is the plan to film the entire Bible. This momentous effort is already in process of organization in a California studio, and it is estimated that it will need two years for its completion. The specifications call for 100 reels of film, certain scenes of which will gather together the greatest assemblies ever shown on a screen.—Popular Mechanics.

WHAT IS AMBER?

Amber was originally generated from a species of pine and fir trees. As the gum oozed out of the trees, it flowed down the roots, where it lay in large deposits. A forest undisturbed for centuries would produce extensive fields of this gum.

Many are already old before they are through their teens; but to travel deliberately through one's age is to get the heart out of a liberal education.—R. L. Stevenson.

Surnames are so called from the early practice of writing them over the Christian name. In modern times they were first used in France, and later their use was introduced into England by the Normans.

High School Board of Glendale Union High School District of Los Angeles County, California.

VOTERS TO DECIDE SITE

At the time of preparing the call for the election to vote bonds to the amount of $250,000, the Board of Trustees of the Glendale Union High School district adopted the following resolution:

WHEREAS, this Board has called an election to be held in Glendale Union High School District May 10, 1920, to vote on the question of issuing bonds of said district in the sum of $250,000.00; and,

WHEREAS, it has come to the attention of the Board that some electors of said District propose if said bond issue is carried that the present high school site should be abandoned and land acquired at some other place for a new site, and other electors of said district are opposed to said proposition, and this Board desires to know the opinion of the majority of the electors thereon,

NOW, THEREFORE, BE IT RESOLVED that the Board hereby calls an election to be held in Glendale Union High School District on May 10, 1920, at the same voting places, at the same time and by the same officers of election as the above mentioned bond election, and hereby submits to the qualified electors of said District at said election the following question: "Do you favor the retention of the present location of the Glendale Union High School as the permanent site of the high school with such enlargements of the grounds as may be necessary for that purpose?" Said question shall be printed on the ballots used at said election hereby called and after it shall be the words "yes" and "no" with voting squares in which electors shall indicate their choice by marking a cross; upon said ballots shall also be printed the following part of this Resolution:

BE IT RESOLVED that this Board hereby agrees and pledges itself in the event that said bonds in the sum of $250,000.00 are voted, that it will be governed in the matter of the high school site by the majority of the votes cast upon the question of retention of the present site—that is, if the majority of the votes cast are in favor of retention of the present site, this Board will proceed to acquire the block of land situated immediately east of the present site for enlargement of the grounds and will construct suitable buildings for the use of the high school, including a class room building, a heating plant and a girls' gymnasium or as many thereof as can be constructed out of said bond issue and such temporary accommodations as may seem necessary pending the completion of permanent buildings; and if the majority of votes cast are against retention of the present site this Board will proceed to acquire a new site for the high school at some suitable location to be chosen by the electors of the District at a subsequent election, and will also construct on the present site such temporary buildings or additions or alterations of the present buildings as may be necessary to accommodate the school until new buildings can be built on the new site, estimated to be about five years, and any surplus of the bond issue remaining after these purposes are carried out will not be expended until the new site is to be improved.

E. H. Learned, wife and daughter Edith spent Sunday in Pomona with friends.

John Lewis and wife of Terre Haute, Ind., have been visiting Mr. and Mrs. W. A. Campbell, 1420 Lorraine.

Mr. and Mrs. Guy S. Lamoreaux have moved from 346 West Lomita avenue and are now living on Windsor Road.

Dr. L. H. Hurtt is said to be improving nicely at his home, 3816 Ingraham street. He was able to sit up Sunday.

Work on the Broadway school building is progressing very favorably. The foundations are all in and nearly all the floor joists laid.

Frank Landres and wife, and Miss Dora Landres of Los Angeles were visitors at the home of Mrs. Ivan Robinson, 1520 Lorraine, Sunday.

Mrs. Hal Davenport of South Glendale avenue returned Monday from a week-end visit to the home of her cousin, Mrs. Clara Turner, at Wilmington.

Mr. and Mrs. T. R. Smith, 1100 North Central avenue, are moving to Los Angeles this week, where Mr. Smith has bought an electrical business.

M. J. McGrew's business in the Broadway Garage has become so large that more room is necessary, so a show room is being added at a cost of $500.

Mr. and Mrs. Clyde Bott left Saturday morning by auto for Selma and the King River country on a fishing trip. They expect to be gone ten days.

Mr. and Mrs. Charles Stanford and daughter, Miriam, of 328 West Colorado street, spent three days last week inspecting property Mr. Stanford has just purchased in Coachella Valley. They returned Saturday.

W. C. Laughlin of 601 North Maryland avenue, a mining engineer who is looking after large interests in Sonora, Mex., has been home for a few days's visit with his wife and family, but has left again to return to his duties across the border.

Miss Patrick, sister of Mrs. H. E. Bartlett, came down from Santa Barbara, Thursday, and will be the guest of the Bartletts the balance of the week. She accompanied Mrs. Bartlett to the organization City Council meeting Monday night.

Grading is in progress on the grounds of the Broadway School. The soil is being rolled and water is being applied from the city mains to locate the low places. The grounds on the Wilson street side should soon be in shape for use.

Mrs. W. A. Kulp entertained Mrs. Mary Ogden Ryan and the mothers of pupils of the sixth grade, Broadway School, at her home on East Wilson street Friday afternoon from 2:30 to 4:30. It was quite an informal social affair with no program.

C. Langley of Los Angeles had his right arm broken yesterday afternoon while cranking his car preparatory to returning home from a trip to Glendale. He was taken to the Glendale Sanitarium, where it was found that both bones of the forearm were fractured.

S. W. Fenton arrived Sunday night from the old home at Cleveland, Okla., where he had been to dispose of his property. He has been absent several months and is very glad to be back to the home at 606 Vine street, which he bought when he came out here last summer.

The committees appointed to work in Glendale for the million dollar drive for the Baptist denomination expect to be busy this week. A supper is to be given for the workers Friday night. The allotment for the Glendale church is something under $21,000, the subscriptions to cover five years.

Mr. and Mrs. J. E. Harrison and daughter, Helen, and Miss Louise Russell were Sunday guests of Mr. and Mrs. G. H. Rowe of 216 South Orange street. Saturday night the Rowe's entertained at dinner Charles Griffith and daughter, Alsie, of Dundee, old friends and neighbors in Illinois.

Mrs. O. C. Loomis spent Saturday night and Sunday visiting her cousin, Mrs. Chauncey Rice, at Redondo Beach. Mrs. Rice was formerly a resident of Glendale, on Palm Drive, and her many friends here will be pleased to know that she is out of the hospital and is now able to get about the house.

H. V. Chassee, wife and two sons are now occupying the 5-room plastered bungalow they recently bought of Nathan Rigdon at 613 North Orange. They came here from Ocean Park, where they had lived seven years. Mrs. Chassee says she likes Glendale better than any other place she has seen in California.

Mr. and Mrs. J. R. Thompson, 315 North Louise, entertained as week-end visitors, Mr. and Mrs. George Bigler, of Santa Monica. Both couples are golf enthusiasts. The Thompsons have been in their present home only a few months, but in that time have greatly improved the place.

Mrs. Charles Wallace Kimberly, who sold her home on South San Fernando Road and leased an apartment in Los Angeles, finds that she misses having a yard and her home does not seem home without "green things growing" around it. She is, therefore, looking for a bungalow in Glendale.

E. D. Yard of North Maryland avenue, who was injured last week in an automobile accident, is not mending as fast as his friends hoped he would. He suffers greatly from pain in his back and chest and physicians are considering placing him under the X-ray to assist them in locating the seat of his suffering.

Mrs. Osborne, who came to Glendale from Montrose, Colorado, is quite seriously ill and her son and daughter have come from Colorado to be with her. Mr. Osborne was a banker in Colorado and since he came to Glendale to live has been developing a tract of residence property at Broadway and Columbus. Within the past six months he has built an attractive home on Columbus near Wilson avenue.

Mr. and Mrs. C. A. Lessard of 707 Orange Grove avenue are entertaining Mr. and Mrs. Clarence Meeker of Medford, Oregon. Mr. Meeker is a delegate to the Methodist General Conference which convenes at Des Moines, Iowa, May 1-31 and Mr. and Mrs. Meeker are on their way to attend that important session. They are greatly pleased with Southern California and it is expected that they will make their home here some time in the future.

Miss Vera McPherson, daughter of Mr. and Mrs. H. A. McPherson, of 416 Pioneer Drive, who has been teaching in Bear Valley, will complete her work there the 23d of April, when the school will close until next September. She is expected home the last of the week. It will be her first visit since Christmas and the members of her family are eagerly awaiting her arrival.

LITTLE L. A. GIRL FOUND WANDERING ON STREETS

There was quite a flutter of excitement on North Kenwood yesterday over an apparent abduction case. A little girl was found wandering along the street, crying for her mamma. The police authorities were notified and a search was made in the neighborhood where the child was seen, but without result. Finally at 10 o'clock last night a man who would not give his name telephoned police headquarters that he had taken the child in, learned where she lived in Los Angeles and got word to her mother, who at once came out to claim the child, who had said she was brought to Glendale in an auto by a man and put out into the street, the man then driving away. The little one was well dressed and appeared to belong to a refined family. The informant of the police department said the mother refused to give any information regarding her affairs or how the little girl happened to be brought out here and left. She even refused to give her name.

KING OF THE PENCILS

The right to this title has been consistently proved by

EVERSHARP

THE PERFECT POINTED PENCIL

No dull leaded writing, no broken points, no unsightly stubs, no lost lead, no whittling, no interrupted thought. With its 18 inches of lead Eversharp writes a quarter million perfect pointed words.

A perfect point, a point that's always sharp—never sharpened—that's the Eversharp. You'll find writing with this pencil a joy. As Eversharp moves over the paper it leaves line after line of uniformly-written words.

Eversharp is the Most Economical Pencil in the World

The supply of lead is replenished for a quarter — ten thousand words for a cent. And your pleasure in Eversharp will never wear out. You will enjoy writing with it twenty years from now just as much as you do today.

Twelve Superior Features of Eversharp:

1. Beautiful finish gives you pride of ownership.
2. Wonderful magazine chamber holds 12 extra leads.
3. Eighteen inches of lead can be replenished for a quarter.
4. Writes a quarter million words with one leading.
5. Constructed with jeweler's precision from crown to point.
6. Always sharp, never sharpened, thereby saving time.
7. Perfect balance prevents writer's cramp.
8. Covered eraser is ready for instant service.
9. Built-in clip insures against loss.
10. Piano wire steel plunger feeds leads with never a break.
11. Rifled steel tip insures a firm writing point.
12. Eversharp point is always perfectly sharp.

JAP SHIP INDUSTRY

It appears, says the Japanese Weekly Chronicle, that, unlike shipping, the shipbuilding industry of Japan is comparatively well off, owing to the high prices brought of late by new vessels. In 1919, 124 ships of 1000 tons or more, were launched before November 30th, and those launched since that time, or soon to be put into the water, will bring the year's total of ships built up to 150, and the tonnage to approximately 700,000.

The side car taxi is a French motor novelty that should prove popular for quick transportation about crowded American city streets.

There has been much talk about adapting airplanes to ambulance uses. A recent number of Je Sais Tout, the Paris magazine, states that such a method of conveying the sick to hospital has been in practice for some time in Morocco.

AIMS OF MUSIC CLUBS

cation and Americanization. The Federation is interested in two national bills. One which has already been presented to the Department of Education calls for a Bureau of Music and Art. The other provides for the establishment of a National Conservatory of Music to be under the jurisdiction of the Department of Education and set the standard for music. The aim will be to have branches in the various districts of which the country has been divided into fourteen. The Federation slogan is: "A music club in every town in every county in every state," that the best music may be within the reach of those far removed from cities, and that America may take rank with European countries and become a music center.

Thus far, Mrs. Sieberling said, Texas leads in the number of music clubs with one hundred in the state. The Federation is also making an effort, she said, to encourage American composers by offering substantial prizes and arranging concert tours. The California State Convention is undertaking to do much along this line by having representatives of music clubs from all parts of the state on its program. It will do much, Mrs. Sieberling believes, to arouse interest and spread the gospel of good music.

The list of artists on the program included Florence Macbeth, American colorature soprano, who has a beautiful, bird-like voice; Percy Grainger, who played a number of his own productions; Madame Sprotte sang a number of Mana-Zucca's songs, with Mana-Zucca herself at the piano. She and Mr. Grainger are here on tour and played in honor of Mrs. Sieberling, who is the president of the National Federation of Music Clubs.

At the formal reception Mrs. Mattison B. Jones, second vice-president of the California Federation of Music Clubs, and Mrs. Calvin Whiting, its corresponding secretary, both Glendale ladies, were in the receiving line. The group from Glendale which attended the reception included Mr. and Mrs. Jones, Mr. and Mrs. Whiting, Mrs. Roy Masters and Mrs. Eva Cunningham.

CITY TRUSTEES

(Continued from Page 1)

hopes of the work the newly-organized board would be able to accomplish. He also paid an eloquent tribute to the conscientious service of retiring members with whom he had been associated long enough to realize their worth.

The board then voted to approve the bond of Treasurer Stauffacher on motion of Trustee Henry.

The next matter of business was the reception of the preliminary report of investigation into the proposed expenditure of the $260,000 water bond issue of the City of Glendale to be submitted by Engineers H. B. Lynch and Willis S. Jones. As the engineers had not arrived, the meeting was thrown open to citizens in the audience to address the board on any subject they desired to present. Several persons responded with brief speeches voicing their appreciation of the onerous duties members of the board are called upon to perform and their desire to sustain and assist the board in any and all possible ways; also expressing their satisfaction in the presence upon the board of so worthy a representative of the women voters of the city.

In making acknowledgment on behalf of the board, Chairman Shaw expressed its pleasure in the co-operation and backing of the women of the city and its business men which he felt would ease the task of the trustees immeasurably. He then referred to the five standing committees: Public Affairs, Finance, Public Welfare, Public Works and Public Service, and said he would like to receive an expression from members as to committee preferences before making his appointments next Thursday night.

By that time Engineers Lynch and Jones had arrived and upon invitation Mr. Lynch read to the board and assembled audience the recommendations of himself and colleague on the proposed expenditures under the water bond issue.

As only $100,000 of the bonds have been sold and the greater part of that sum will be devoted to development work on the San Fernando Road, it will not be possible to immediately proceed to carry out all of the recommendations of the engineers. The report will be considered elsewhere as a separate news item.

There being no further business the Board adjourned though its members were detained for a time to receive the congratulations of their friends. All the heads of the departments of city government were present.

(Continued from Page 1)

thanking the Federation for the letter of condolence and flowers sent her in her bereavement.

A personal letter of thanks was read coming from Judge Lowe in appreciation of the $25.00 subscribed for the swimming pool.

Supervisor R. D. White spoke on the movement to improve conditions for teachers particularly in increase of salaries to meet existing conditions and spoke of the exodus from this profession into other fields of endeavor for self-preservation.

It was voted that a set of resolutions be drawn and sent to the County Supervisors advocating an increase of salary for teachers commensurate with living conditions.

Petitions to taxpayers asking their signature with the desire to co-operate in aiding toward this increase will be circulated by the individual P.-T. A.'s.

It was voted that a sum not exceeding $10.00 be sent to Athletic Instructor Albert Blanford for the purchase of a pennant and ribbons for the winners in the inter-school meet, which is to be held on Thursday and Friday on the Intermediate School grounds.

Mrs. Barton spoke of the twenty-first annual convention of California Congress of Mothers and Parent-Teacher Associations, which is to be held in Los Angeles from May 18th to 21st, inclusive, and at which time delegates from outside will be entertained by the Glendale Federation with auto rides at the close of which refreshments will be served.

The Glendale Teachers' Club extended an invitation to the Federation and friends for the reception, which they will hold Monday evening at the High School. Meeting adjourned.

TELL IT TO THE BEES

"Telling the bees" is an old English custom. On the death of a member of the family, the bees were told at once, and their hives draped with mourning. It was believed that if this were not done, the bees would leave their hives and seek a new home.
